Re: Plumbers, et al. v. Fairfax Financial Holdings Limited, et al., No. 11 CV 5097 (JFK)

Dear Judge Keenan:

We represent defendant PricewaterhouseCoopers LLP, Toronto, Ontario, Canada ("PwC Canada"). Pursuant to Rule 2D of your Individual Practices, we hereby request permission to file a reply memorandum of law in excess of 10 pages in further support of our client's motion to dismiss.

The complaint's six counts allege — over the course of 617 paragraphs and more than 210 pages — violations by the defendants of both the Securities Act and the Securities Exchange Act. More specifically, the plaintiff alleges that the Fairfax defendants intentionally misled Fairfax's stockholders about, *inter alia*, the correct accounting for certain reinsurance contracts, and that PwC Canada actively participated in this alleged fraud by issuing Fairfax clean audit opinions. PwC Canada has moved to dismiss the complaint on a variety of grounds, including that it fails to adequately allege a material misstatement, loss causation or scienter against PwC Canada, and that all of plaintiff's asserted claims are in any event barred by the applicable statutes of repose.

In response to defendants' motions to dismiss, plaintiff has served a 70 page omnibus brief in opposition. In order to give adequate treatment to the plaintiff's arguments contained therein, we respectfully request permission to file a reply memorandum of law not in excess of 15 pages in further support of our motion to dismiss.

We appreciate the Court's consideration. Please feel free to have your chambers contact me should you have any questions.

Respectfully submitted,

Christopher Davies
